Meet Our Team

St. Joseph Sports Medicine has assembled the top sports medicine providers in the greater Bangor area—a winning lineup dedicated to bringing coordinated treatment and rehab to athletes.

DownEast Orthopedics
Thompson McGuire MD and Kenneth Morse MD are orthopedic surgeons who are sub-specialty Board Certified in Sports Medicine. Greg Askins MD and Jay Pyne MD are orthopedic hand surgeons and Cameron Trubey MD is a Fellowship-trained primary care Sports Medicine physician.

Select Physical Therapy
Derek Loupin PT, SCS is a physical therapist who is Board Certified in Sports Physical Therapy. He is the team physical therapist for several area high school and collegiate teams.

Healy Chiropractic
With a Master’s Degree in Sports Science and Rehabilitation, Patrick Healy DC specializes as a sports chiropractor. Healy Chiropractic provides chiropractic and athletic training services to several area high school and collegiate teams.

St. Joseph Healthcare
Mike Rizzo FNP-C, CIC is a Board Certified nurse practitioner treating a wide spectrum of sports related conditions, including concussions. He serves as a consultant for over 20 local schools including University of Maine. He is a Certified ImPACT Consultant and serves on the executive board for the Maine Concussion Management Initiative.

St. Joseph Sports Medicine
– In partnership with DownEast Orthopedics, Healy Chiropractic and Select Physical Therapy
